

Assignment 13

Program -

```
1]
function toh(n,src,des,aux)
{
    if(n>=1)
    {
        toh(n-1,src,aux,des);
        console.log("Move disk from tower ",src,"to tower",des);
        toh(n-1,src,des,aux);
    }
    return;
}
toh(2,"A","B","C");
```

Output -

```
Move disk from tower  A to tower C
Move disk from tower  A to tower B
Move disk from tower  A to tower B
```
